

With offices in New York and Boston, Social Mavens is a full service, social media marketing agency.

Our job, at Social Mavens, is to manage all social media needs for a business. We conduct analysis, set strategy, train employees, drive implementation and maintain all social platforms. Including, but not limited to: Facebook, Twitter, YouTube, LinkedIn, Blogging, Videos, Photography, Electronic Publishing and Web Design.

At Social Mavens, our goal is to help all businesses maximize their growth and profitability by utilizing social media tools.
